High quality Italian pet food
The best diet for a truly unique friend

Our family lives on affection, security and well-being. And when a four-legged friend is one of the family, we wish to take care of our pet in the same way that we care for our loved ones. Thus we do our best to keep our pet in good health, starting from a healthy, balanced and tasty diet.

Meeting your cat's nutritional requirements in the best way possible is not just a priority to always see it in good shape, it is much more! Because in order to receive gentle caresses, to go on an outing together, to see our pet grow, the most important thing is what we give it: our love.

“We’ve been the specialists for pet diets for 50 years now”.

Our experience has grown together with the passion of millions of Italian families for the four-legged friends that share our homes, pampered with the same affection that we give our children. To meet your cat’s needs in the best way possible, today we are pleased to offer you a complete line of highly nutritional foods for daily well-being.

“Trust us, trust our love for them”.
